TARGET AUDIENCE: This conference will be of particular interest and value to the faculty, staff, and students of the College of Public Health and the Health Science Colleges.

EDUCATIONAL OBJECTIVES:
At the conclusion of this seminar, the learner will be able to:

1. Define unique public health laboratory functions in response to emerging and re-emerging threats that support the public health system in Iowa.
2. Describe the role of the state public health laboratory in foodborne outbreak investigations.
3. Describe the role and purpose of the public health laboratory in influenza and other national surveillance systems.

DISCLOSURE STATEMENT: “I do not have any financial interests or other relationships with any manufacturers of products or providers of services I might be discussing in my presentation.”

CME ACCREDITATION: The University of Iowa Roy J. and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CME CREDIT DESIGNATION: The University of Iowa Carver College of Medicine designates this educational activity for a maximum of 1.0 AMA PRA Category 1 Credit.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.
