TARGET AUDIENCE: This conference will be of particular interest and value to the faculty, staff, and students of the College of Public Health and the Health Science Colleges.

LEARNING OBJECTIVES:

After attending this seminar, you will be able to:

1. Describe the Virtual Pooled Registry project;
2. Explain how this registry will function; and
3. Indicate next steps to making this registry more widely available.

DISCLOSURE STATEMENT: “I do not have any financial interests or other relationships with any manufacturers of products or providers of services I might be discussing in my presentation.”
