Department of Epidemiology Seminar
College of Public Health
**BONUS**

Pancreatic Cancer Research with Different Perspectives
Cancer Molecular Epidemiologist Faculty Recruit

Thursday, December 15, 2016
11:30 AM – 12:20 PM
Ellig Classroom (N120 - CPHB)

Hung N. Luu, M.D., Ph.D.
Assistant Professor
Dept. of Epidemiology and Biostatistics
College of Public Health
University of South Florida

TARGET AUDIENCE: This conference will be of particular interest and value to the faculty, staff, and students of the College of Public Health and the Health Science Colleges.

EDUCATIONAL OBJECTIVES:
At the conclusion of this seminar, the learner will be able to:

1. To characterize early onset pancreatic cancer (EOPC) (i.e., clinicopathology characteristics), and the effect of age at diagnosis on pancreatic cancer survival, particularly pancreatic adenocarcinoma and pancreatic neuroendocrine tumors (PNETs).
2. To evaluate the benefits and risk of polyunsaturated fatty acids (PUFAs) to pancreatic cancer.
3. To determine the role of HMGA2 on the risk and survival of pancreatic neuroendocrine tumors (PNETs).

DISCLOSURE STATEMENT: “I do not have any financial interests or other relationships with any manufacturers of products or providers of services I might be discussing in my presentation.”

CME ACCREDITATION: The University of Iowa Roy J. and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CME CREDIT DESIGNATION: The University of Iowa Carver College of Medicine designates this educational activity for a maximum of 1.0 AMA PRA Category 1 Credit.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

- Everyone in a position to control the content of this educational activity will disclose to the CME provider and to attendees all relevant financial relationships with any commercial interest. They will also disclose if any pharmaceuticals or medical procedures and devices discussed are investigational or unapproved for use by the U.S. Food and Drug Administration (FDA).
- The University of Iowa prohibits discrimination in employment or in its educational programs and activities on the basis of race, national origin, color, creed, religion, sex, age, disability, veteran status, sexual orientation, gender identity, or associational preference. The University affirms its commitment to providing equal opportunities and equal access to University facilities. For additional information on nondiscrimination policies, contact the Coordinator of Title IX and Section 504, and the ADA in the Office of Affirmative Action, 319/335-0705 (voice) or 319/335-6097 (text), 202 Jessup Hall, University of Iowa, Iowa City, Iowa 52242-1316.
- Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact The Department of Epidemiology in advance at 319-384-1540.
