TARGET AUDIENCE: This conference will be of particular interest and value to the faculty, staff, and students of the College of Public Health and the Health Science Colleges.

LEARNING OBJECTIVES:

1. Understand the prevalence and incidence of leishmaniosis in the United States
2. Learn about the effects of tick borne disease co-infections on the progression of leishmaniosis in the United States and Brazil
3. Understand the risk factors and basic reproductive number associated with vertical transmission of leishmaniosis
