ACRC SEMINAR

“Transmural differences of coronary branches and collateral vessels assessed with 3D cryomicrotome imaging”

Maria Siebes, Ph.D

Associate Professor
Dept. of Biomedical Engineering and Physics,
Academic Medical Center,
University of Amsterdam, The Netherlands

DATE: Thursday, Nov. 20, 2014
TIME: 2:00 p.m.
PLACE: Urmila Sahai Auditorium (2117 MERF)

Target Audience: This conference will be of particular interest and value to academic researchers and clinicians interested in cardiovascular diseases.

Educational Objectives: Participation in this conference should enhance understanding of mechanisms of cardiovascular regulation and related areas, develop and improve ability to evaluate research findings, and provide insights and applications relevant to diagnosis and treatment of cardiovascular disease.

CME Accreditation: The University of Iowa Roy J. and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACME) to provide continuing medical education for physicians. The University of Iowa Carver College of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure: Everyone in a position to control the content of this educational activity will disclose to the CME provider and to attendees all relevant financial relationships with any commercial interest.
