Novel Mechanisms of Vascular Disease in Obesity

Friday, December 1, 2017
1:00 PM  1289 CBRB

This presentation will review recent work examining links between the obese state and control of vasomotor tone and blood pressure.

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires a reasonable accommodation in order to participate in this program, please contact the Pharmacology Department in advance at 335-7963 or email Pharmacology@uiowa.edu.
